Your Home Life

Safe, Clean & Organised

Getsorted is a storage system built for your home life, keeping your belongings safe, clean and organised.

Fresher Clothes

Getsorted storage systems are ventilated so air can move, keeping your clothes cleaner and fresher for longer. Through our innovative new ventilated cabinets and drawers.

Safe for your Home

Getsorted is committed to using safe materials. All timber products are made from Ultra Low Emission (EO) Eco-Friendly Particleboard decorative wood panels.

Organised

The practical composition of the getsorted product range will convert even the messiest member of the family's

living space. So convenient to use, the floor will no longer be option number one for discarded garments. Transform your home's space for more room to do all those things that the family loves to do.

Make it easier

Designed to make life easier, Getsorted has adjustable feet, shelves that lock in place, secure wall fasteners and deep drawers with high backs, so no clothes can fall out the back.

Mix, Match & Stack

All storage Towers, Cabinets and Accessories are built to mix, match and stack with one another, allowing you to get what you need, and set things up your way.

For more information: www.getsortedstorage.com
